# I'M ABSOLUTELY DELIGHTED TO WELCOME YOU TO THE 15TH ASIAN GAMING POWER 50 GALA DINNER.

It's become a tradition for our whole industry to come together on the first Friday in November each year to celebrate this event.

Tonight's gala is supported by all four Entertainment City Manila IR companies, the leading IR in Clark, all six Macau casino concessionaires, Macau's sports betting concessionaire and the major technology supplier companies with a host of other companies and important individuals in attendance.

Tonight's theme of "New City, Fresh Beginnings" reflects the emergence of Manila and the Philippines as a major gaming destination in Asia, and reflects the growth of the Asian Gaming Power 50 beyond the confines of Macau where it has resided for the past 14 years. The 15th anniversary was the perfect time to break out into the wider Asia-Pacific region and what better place to start than the Philippines.

Our industry has a bright future. The Philippines is expanding rapidly, Singapore is booming once more and the industry in Australia has a once-in-a-generation opportunity to re-invent itself. We're also seeing IR growth in other parts of the region, such as Cambodia, Japan, Korea and Vietnam and we may even find ourselves with IRs in Thailand some time soon.

Tonight is the culmination of many months of planning, with around 150 people playing a part. Thanks to them all, including the sponsors, our wonderful venue sponsor City of Dreams and all the team at IAG. Thanks too to the Power 50 judging panel, who have a herculean task each year.

Enjoy the great networking opportunity, the world-class food and beverage, the fun entertainment, the beautiful surroundings, the fine company and the Power 50 countdown from number 50 to number 1.

Eat, drink and be merry, and have a great night!

Andrew W Scott Vice Chairman and CEO Inside Asian Gaming

TONIGHT'S RUNDOWN

# 04/11/2022

Ranking announcements spread throughout the night. All times are approximate

# About the Big 50

**ANXIOUSLY AWAITED EACH YEAR** the Asian Gaming Power 50 is *Inside Asian Gaming's* annual list of the 50 most powerful and influential people in the Asian gaming industry.

The inaugural "Big 50" - as we like to call it - took place in 2008 and over the years has become the definitive list of the industry's most important people. As such the "Big 50" judging panel plays a vital role in the industry and has a responsibility to simply get it right.

The Power 50 ranking methodology was completely overhauled in 2016, with a numerical "Power Score" introduced for each contender in an effort to be more scientific and objective. This proved to be a fair and popular method that continues to this day.

Power Score points arise from a number of factors including the GGR of the person's organization (or a surrogate comparative measure if necessary), a weighted "carving up" of those points between the top senior executives with key policy control of that organization, adjustments for whether the person is hired or has a major equity position, their length of tenure, how active in business initiatives the person has been in the prior 12 months, the long-term gaming pedigree of the person, the jurisdiction in which he or she operates and many more.

# Here are some other questions that have arisen during the selection process:

#### WHAT COUNTRIES COUNT AS ASIA?

The Power 50 list covers the entire IAG APAC coverage region, which we define broadly as approximately one-third of the globe – from Kazakhstan to the International Date Line.

#### WHAT ABOUT NON-OPERATORS WHO HAVE A STRONG VOICE IN THE INDUSTRY, LIKE REGULATORS, MEDIA COMMENTATORS, ANALYSTS, ACADEMICS, SUPPLIERS, CONSULTANTS, GAMING LAWYERS AND SO ON?

Over the years we have carefully considered the power wielded by leaders in these industry sectors and concluded firstly that it was impossible to include regulators (PAGCOR's Alex Tengco earned his position on the list purely as an operator, not a regulator). Likewise, even taking the power of people in all the other sectors into account, it was only direct operators who made it into the top 50.

#### HOW DO YOU PICK BETWEEN THE OWNER/CEO AND THE COO OF A COMPANY?

Many gaming companies have a charismatic and entrepreneurial owner/CEO and a perhaps more seasoned and level-headed gaming professional in charge as President and/or COO. By default, being an owner necessarily ranks many more Power Score points. After all, the owner can always force an appointed COO out of his job. But in some instances, a hired COO can effectively wield more power than their "boss" when the owner delegates a very large proportion of decision-making responsibility. The answer is decided on a case-by-case basis.
